

MOUNTAIN RESOURCES/INSPECTIONS

This list of professionals, inspectors and inspection companies has been compiled as a client service to aid Buyers in exercising their inspection rights & Sellers obtaining their inspections. Generally, a purchase contract will give the Buyer the right, at their expense, to select licensed contractors or other qualified professionals to inspect and investigate the condition of the property, including but not limited to structural, geological, plumbing, heating, electrical, built-in appliances, roof(s), heating and air conditioning systems, pool/spa, well, septic tank/sewer, and survey. Buyers are encouraged to secure any and all inspections that they deem necessary to satisfy their concerns about the condition of the property.
